01

Incorporation

Company Incorporation

Incorporating a company in Hong Kong typically takes 7-10 working days. To complete the incorporation process, we will need a copy of the passport and proof of address (issued within the last 3 months) for all directors and shareholders.

02

Taxation

Taxation

- Non-Hong Kong sourced income is not subject to Hong Kong taxes.
- Hong Kong sourced income is taxed at 8.25% on profits up to HK\$2 million, and at 16.5% on profits exceeding HK\$2 million.

03

Public Records

Public Records

Hong Kong maintains a public register of directors and shareholders, meaning that anyone can access company information for a small fee.

04

Governance

Shareholders and Directors

- Hong Kong companies allow corporate directors, but at least one director must be an individual.
- There is no requirement to have a local director.
- Shareholders can be either foreign corporations or individuals.

05

Accounts

Accounts and Audit

"All Hong Kong companies, except for dormant (non-trading) companies, are required to prepare annual financial statements and appoint a Hong Kong-registered CPA."
